Prez Sez

Roger Brinkley

Thanks again to Jeff Sager for a job well done. I look forward to a great year ahead. I am very fortunate to have a great team to work with this year: Henry Hirschman as VP, Karen Sager as Secretary, Karen Altomare as Treasurer, Pheona & Joe Kaiser as our Newsletter Editors and the rest of our Board Members.

Thanks must also go out to John and Nancy for the use of their "hanger house" for the Christmas party. I think that John had a great line that night referring to a coveted gift that had changed hands several times when he said, "It's not that I want it—it's just that I don't want you to have it."

Phyllis and I are looking forward to the January overnighter to Palatka, it has been much too long since the TF has been on the road. The new paint job and putting the car back together properly turned out to be a major undertaking, then there was the matter of replacing the burned up wiring harness just when I thought the car was ready for the British Car Classic at Kings Head Pub.

A special thanks to Neil and Wayne for working me into their very busy schedule. Their charge was very reasonable as usual.

I'm sure all of us would like to thank Neil Nelson, Wayne Snook, and Jim Hall for sharing their extensive knowledge of our wonderful cars when we have problems. There are few of us who have not called on them for help throughout the years.

Don't forget to call in your reservations to the Palatka Quality Inn by January 12th for the special rate. The phone number is (386) 328-3481.

We wish you a safe and happy New Year and we will see all of you at Buca di Beppo on January 28th for our monthly club meeting.

Safety Fast,

Roger

NAMGAR in Key West '08

Hanging Out in the Southernmost City

Do you still have a little sand in the carpet of your car and in your shoes from last years Regional GT in Key West? Do you have any beads left from the parade down Duval Street? Well no need to clean the carpet or throw away the beads, we're going back to Key West again in April of 2008. We have become a fixture in the Conch Republic Independence Celebration Parade, and this year will be no exception. The fun that began in 2005, with a small Regional GT, has become an annual event and this coming April 23rd through the 26th promises to extend a tradition of good times in the Southernmost City.

If you haven't made the trip yet, you really don't know what you are missing. Begin with the drive through the Keys, over the bridges, past the sparkling clear water of both the Atlantic Ocean on one side and the Gulf of Mexico on the other. The trip down U.S. 1 ends at the Southernmost City in the continental U.S. where the party begins. The friendly hellos from the Keys locals who appreciate the visit of our vintage cars coming to their islands for a visit make this a trip you will want to make again. Of course getting there is only some of the fun. Once in Key West, the party begins.

This year we will, of course, be parade participants again, so bring the beads and see what shows up carside down the parade route. We will also be crowning a NAMGAR Key West Olympics champion, so start working out after you have registered. This will be a trophy no one else in your circle of friends will have. We have a new motel this year; in fact we have the whole motel to ourselves. It is a 30 unit motel in a nice part of the island. The bad news is there are only 30 rooms, so book early. Since we are driving 1950's cars, this years' them for the closing banquet will be a 1950's sock hop; so find those tight jeans guys, and get out the poodle skirts gals, and bring your dancing shoes.

Here's the itinerary:

Wednesday, April 23, 2008 5:00 P.M. - Reception at Fort West Martello, a beautiful garden setting overlooking the Atlantic Ocean where we will have light hors d'ouvres, and a beer or cocktail while saying hello to old friends who have made the journey.

Thursday, April 24, 2008 11:00 A.M. - Just a short drive from our motel to Key West's Bocce Ball Courts for the first of our Key West Olympics (KWO) events, team Bocce Ball. While here we will have a lunch barbeque with hamburgers, hot dogs and bratwurst. While our cars are parked in the lot, we will invite the public to stop by and vote for their favorite car. The voting will continue on Friday.

Thursday, April 24, 2008 6:30 P.M. - Gather at the host motel, El Patio, and then head for the staging area to participate in the Great Conch Republic Independence Celebration Parade down fabled Duval Street. It will be our third year in the Parade!

Friday, April 25, 2008 9:30 A.M. - Leave our motel and caravan up U.S. 1, stop for a cup of fabulous Baby's Coffee at mile marker 15, then on to the Historic Bat Tower on Sugarloaf Key (MM 17) where we will have our official pictures taken with the Bat Tower as the background. Then, at about 11:30 A.M., on to MM 27.5, Boondocks' bar, restaurant and the second round of the KWO (Key West Olympics), a game of miniature golf; then lunch from an open menu. Since this will be our first year with a Lower Keys event, the restaurant will hype our arrival, and we will finish the public voting there.

Friday, April 25, 2008 4:00 to 7:00 P.M. - Happy Hour at "The Hole" (any explanations needed on how to get there?), where will have our third, and final KWO event, a casting contest (don't worry, we'll explain when you get there and it is easy!).

Saturday, April 26, 2008 All day - All day to play, shop, drink and enjoy Key West. You can visit you favorite museum, tourist attraction, bar or day trip.

Saturday, April 26, 2008 6:00 P.M. - Banquet, Awards Presentations and Sock Hop at Hurricane Joe's at MM 4.5 on Stock Island, where we know the owner and are assured of a great meal and service.

Host Motel: **El Patio Motel**, 800 Washington Street, Key West, FL 33040 - Reservations (866)533-5189 - http://www.elpatiomotel.com/

Winter Haven Art Festival and European Car Show
Sunday, March 16, 2008
Downtown Winter Haven—Central Park 9 am to 3 pm

Please mark your calendars for an exciting and important car show event – a unique show that recognizes the restoration of automobiles as an Art Form. On March 16, 2008, participate in the Winter Haven Art Festival and European Car Show and show off your art masterpiece.

All European Cars 1989 and older are eligible to enter. Winning classes are as follows: The Mayor Award as selected by the Mayor of Winter Haven; Peoples Choice Award, as chosen by a representative from the news media; Country of origin Award (example—France, England, Italy, Germany etc.); and Best of Show, Second and Third Place. Country Award and Best of Show, Second and Third Place Awards will be determined by a three judge panel.

Last year, the Winter Haven Art Festival and Car Show event was attended by over 10,000 during the two day event. This year, the Car Show portion will be restricted to a one day event due to the Sebring Races on March 15, 2008, which is only a few miles from Winter Haven. Many of the European Car Drivers will be visiting the Sebring Races, which will give them the opportunity to attend the Car Show on the following day..

Automotive restoration goal is preservation, protection, and enhancement of the classic auto of yesteryears for driving, museums, private collections, dealers, individual collectors, and enjoyment. Restoration does not compromise on quality, either in materials or workmanship. Producing "acceptable" rather than correct and proper restoration and conservation is simply not an option. Whether you are an individual who performs your own restoration, or a automotive shop or specialty restoration business—integrity restoration and time-tested conservation methods produce the highest quality of restoration.

We believe that correct restoration is not simply a process but truly an art form. Quality restoration prides itself in using proper techniques and procedures to produce uncompromised quality.

Those attending the show will have the opportunity to visit the Art Festival in the Central Park, to view and purchase Art, Crafts of highest quality, and Jewelry, searching out those great buys among the many vendors.

Motto: In scientia veritas in arte honestas. In science truth, in art honour

SILVER SPRINGS • GOF SOUTH XLII 2008

GOF – GET READY!

Greetings!

The Suncoast Classic MG Club of the Tampa Bay area is excited to be hosting the 42nd Annual "Gathering of the Faithful" April 11-12-13, 2008 at Silver Springs Nature's Theme Park in Silver Springs, Florida.

We know everyone will enjoy this venue. Our GOF car show will be held on the grounds of Silver Springs Nature's Theme Park in a park like setting. Included in your package is a one day admission to the Theme Park where we will be conducting a "Fun Run", sort of an trivia scavenger hunt. It will be a great way for attendees to have an opportunity to visit a local treasure and national landmark. There are glass bottom boat cruises, beautiful botanical gardens and wildlife exhibits where the classic movies like "Tarzan", "Creature of the Black Lagoon" and "Moonraker" were filmed. The television program "Sea Hunt" and many television specials including a Steve Irwin documentary make this venue a highlight. If that doesn't interest you, just a short drive away brings you to the famous Big Daddy Don Garlits Museum of Drag Racing, The Appleton Museum of Art and The Ocala National Forest.

Our host hotel, the Inn & Spa at the Springs is located across the street from the park and will be the hub of activity. Friday night's First Timer Show will be located in the grove behind the hotel and after you have eaten dinner at one of the local restaurants, grab your lawn chairs and meet us at our "Out Door Theatre" for popcorn and soda to watch an ol' time movie filmed at Silver Springs.

The Hospitality Room will be open at seven Saturday morning for a Quick Start Breakfast before you spiffy up your MG's for the show. Grab lunch inside the park and experience all it has to offer.

Saturday evening celebrate the show and the company of friends at a leisurely Buffet Dinner in the Silver Spring Banquet Hall. After dinner join us around the hotel pool for dessert and presentation of awards, followed by entertainment and dancing in the moonlight. What a great way to share the spirit of the GOF.

Our Hospitality Room will be open early on Sunday and will be offering a Continental Breakfast to jump start your trip home.

Early registration helps us plan our Hospitality needs and better plan the timing of our event. So send in your registration as soon as possible.

We look forward to seeing you there,

Suncoast Classic MG Club

GUS's GARAGE CLOSING ANNOUNCED

With little fanfare it was announced recently by the INS that GUS would be deported on January 31, 2008. This deportation was brought about by the unhappy garage owners who ran into problems while attempting to scam the Little British Car Owners who had been readers of Gus's helpful and oft timely columns in the BBMGs Tally-Ho British Marque and MG Classics Newsletters.

Should you see Gus before his deportation you might wish him well and assure him that we will appeal this dreadful INS injustice.

Willing columnists being sought!

The Cost Of Driving

From AAA Magazine:

"Driving Cost at 52.2 cents per mile for 2007": According to AAA's annual study of driving costs, the cost of owning and operating a new vehicle in 2007 remains basically unchanged from a year ago at 52.2 cents per mile, or $7,823 per year, when driving 15,000 miles annually.

AAA's "Your Driving Costs" looks at operating and ownership costs of top-selling models in popular size classes. The results clearly show that consumers can save substantial sums of money by switching from lager models to smaller vehicles.

AAA's research shows the average annual cost of driving a small sedan is $6,217 per year, while a large sedan costs almost 50 percent more to own and operate at $9,380 per year. Smaller, but still significant, savings can be realized by driving a minivan ($8,639) instead of a larger, more expensive and less fuel-effecient SUV ($9,997).

For more on AAA's driving costs study, go to AAAexchange.com.

Fuel prices in the study were based on the fourth quarter 2006 U.S. price for regular grade fuel, which averaged $2.256 per gallon.
