Roger Brinkley

Our February 25th club meeting was held at the Gi Gi Restaurant. There was a good turn out and a private room was provided for our meeting. The buffet meal provided was very good. I want to thank Linda Dillard once again for our joke for the meeting. Henry Hirschman and I were able to present Wayne Snook with our special club award in recognition of his long service to our club and its members.

Jaguar club president Harold Kelly was present at our meeting along with Michael Collins their V.P. and Darlene Pair, their Treasurer. They again voiced their desire to plan some future events that would include both of our clubs participation. They gave out registration forms inviting us to attend their club sponsored event "Legends on the Green" Concours d' Elegance being held at World Golf Village on April 19th 2008.

This years first tech session was held on March 1st at Jim Hall's garage. Jim did a nice job of presenting the newly designed AC system for MGB, he had a complete system installed in his MGB / GT. The system is reasonably priced and seems to function very well. Jim also answered questions concerning the Supercharger and the Five Speed transmission for club members. Those present were Gil Porter, Wayne Coker, Wayne Snook, Richard Gross and your president. Coffee and donuts were provided for participants but I was surprised that Wayne Snook was able to eat a dozen donuts all by himself.

Don't forget to mail your dues to Karen Altomare at 6371 Eman Drive North, Jacksonville, FL 32216-5647.

Safety Fast,

MG Classics Drive To Micanopy

by Henry Hirschman

To say the Micanopy daytrip was a success would be an understatement. This event truly reflects the strength of our club and the strong support of its members as well as the quality of our cars.

We had 12 MGs, two Healys and three support vehicles in the caravan with a total of 24 MG Classics members and three Healy club members.

It was a windy, sunny day when we departed Rich's Barbeque in GC Springs about 10:25AM. A few miles south on Hwy 17, Tony Martini's Healy dropped a tailpipe. A quick fix with a coat hanger put us all back on the road again.

We arrived in Micanopy an hour and a half later after a scenic ride, some of which was on back roads with moss covered oak tree canopies. The ladies enjoyed the antiquing and the men just hung out. Roger Brinkley and Neil Rowland were glued to a porch swing on one of the shop porches.

Leaving Micanopy about 1:00PM, we traveled to Cross Creek and the Yearling Restaurant arriving right on time for lunch at 1:30PM. They had a large room in the back reserved for us. The young women who waited on us were very professional. The cuisine was definitely "Florida Cracker" and very tasty. Neil Nelson arranged for "Willie" to play some blues music on his guitar and harmonica for us. That was indeed a treat.

We left the Yearling and stopped at a park down the street for pictures of the cars and the members. Most everyone was back in the Penny Farms area around 5:00PM. The total miles traveled was approximately 190, not bad for a MG Classics daytrip full of driving, fun, and fellowship.

SILVER SPRINGS • GOF SOUTH XLII 2008

GOF – GET READY!

Greetings!

The Suncoast Classic MG Club of the Tampa Bay area is excited to be hosting the 42nd Annual "Gathering of the Faithful" April 11-12-13, 2008 at Silver Springs Nature's Theme Park in Silver Springs, Florida.

We know everyone will enjoy this venue. Our GOF car show will be held on the grounds of Silver Springs Nature's Theme Park in a park like setting. Included in your package is a one day admission to the Theme Park where we will be conducting a "Fun Run", sort of an trivia scavenger hunt. It will be a great way for attendees to have an opportunity to visit a local treasure and national landmark. There are glass bottom boat cruises, beautiful botanical gardens and wildlife exhibits where the classic movies like "Tarzan", "Creature of the Black Lagoon" and "Moonraker" were filmed. The television program "Sea Hunt" and many television specials including a Steve Irwin documentary make this venue a highlight. If that doesn't interest you, just a short drive away brings you to the famous Big Daddy Don Garlits Museum of Drag Racing, The Appleton Museum of Art and The Ocala National Forest.

Our host hotel, the Inn & Spa at the Springs is located across the street from the park and will be the hub of activity. Friday night's First Timer Show will be located in the grove behind the hotel and after you have eaten dinner at one of the local restaurants, grab your lawn chairs and meet us at our "Out Door Theatre" for popcorn and soda to watch an ol' time movie filmed at Silver Springs.

The Hospitality Room will be open at seven Saturday morning for a Quick Start Breakfast before you spiffy up your MG's for the show. Grab lunch inside the park and experience all it has to offer.

Saturday evening celebrate the show and the company of friends at a leisurely Buffet Dinner in the Silver Spring Banquet Hall. After dinner join us around the hotel pool for dessert and presentation of awards, followed by entertainment and dancing in the moonlight. What a great way to share the spirit of the GOF.

Our Hospitality Room will be open early on Sunday and will be offering a Continental Breakfast to jump start your trip home.

Early registration helps us plan our Hospitality needs and better plan the timing of our event. So send in your registration as soon as possible.

We look forward to seeing you there,

Suncoast Classic MG Club
