The Prez Sez

We ended the year with a great Christmas party that featured great food and service, and a wonderful location with a great view. From my perspective, a good time was had by all. I want to pursue this venue again for our 2019 party, but more on that later.

The year 2019 is stacking up to be a very exciting year with our hosting of the GOF in Daytona April 11-14, a meet and greet at Fort Mose on March 3 with an MG-T series club that auto trains down from up north, and a BCCNF run down to Washington Oaks Park on March 30. Add to that a tech session on Feb 16 at Mark Albright's, Legacy Automotive, and that's just the first 3 ½ months!

I want to thank our past president Mike Kazmierski and past secretary Lily Kinmonth for all of their hard work and jobs well done. I'd like to also welcome our new VP Mark Albright and new secretary, Sybil Bradley. Thanks for stepping up! I'd also like to shout-out to our treasurer, Mike Hogan, for his steadfast work keeping us legal and on track financially and also Ian Massey, our Web Master, for his phenomenal work on our website. They are both into their 2nd term, and we are so fortunate to have them.

Here's to a successful and fun year driving those cars we love! The only thing needed is your participation!

Bruce

'73 MGB Engine & Transmission

Free to a Good Home

Hello!

I'm swapping out my original engine and transmission for a V6 this month. **The old engine including Weber carb, oil cooler, non-OD transmission is free to a good home.**

I think I threw a rod so the block may be useless, but maybe not the head/parts, etc.

I just need it gone and didn't want to have it hauled off without offering it up to someone who might want it.

I'm in St John's County.

Thanks

Gary Van Tassel

FIRST COAST CAR COUNCIL Cruis'n News

Jacksonville Florida

P.O. Box 24831, Jacksonville, FL 32241

MINUTES: December 4, 2018 Meeting Minutes

President Jim Sparks called the meeting to order at 7:00 pm at the Golden Corral in Mandarin.

IMPORTANT ANNOUNCEMENT: The Golden Corral is no longer providing us a separate room for our meetings, they want a GUARANTEE of 25 paid people to let us have the room for free. If we don't have 25 paid diners, they expect the Council to make up the difference. **THEREFORE, at least for January the location for the Council meeting will be St. Johns Harbor Seafood, 1161 South Lane Avenue, Jacksonville.** We will have a separate room available to us. If you have any other ideas for a meeting place (where they do NOT charge for the room) please come to the January meeting with your information. St. Johns Harbor Seafood has offered us the room at no cost for the first Tuesday of every month in 2019.

ROLL CALL: There were 9 clubs represented and 15 people in attendance.

TREASURER'S REPORT: The Council account has $138.65; the show account has $7,596.44.

COMMUNICATIONS: Arved Grass reported that he got the following message on Facebook and was asked to share it with Council members:

> Hey, my name is Dio and I'm the owner of Red Diamond mobile auto detailing. I am seeking local outlets to post educational articles and videos on how to properly protect and maintain your vehicle the professional way. I also will be doing in person training at car clubs and shows and wanted to see if First Coast Car Council would be interested.
>
> I want to make this clear, this is not about my business, selling products, or anything of that nature. This is about teaching detailing fundamentals from one car enthusiast to another. My number is (904) 304-6625, id love to speak more about this when you have a minute. Thanks for your time, I appreciate it.
>
> -Dio Green

If your club is interested please contact Dio Green directly.

GUESTS/SPEAKERS: There was one guest at the December meeting, none other than Lon Greenwood! Lon informed us that he will probably be moving back to the Jacksonville area sometime this summer.

SHOW COMMITTEE REPORT:

The Council's 2019 Crusin' to the Creek show will be October 12, 2019. A big thank you to Ring Power for again donating the Trout Creek Marina for this event. This will be the Council's 33rd annual show.

Since we lost the Anheuser-Busch Brewery sponsored shows, there was some discussion of the Council putting on a Spring show – if you have any ideas for a location to host the event or getting a sponsor, please bring your ideas to the January meeting. Losing the two shows at the brewery has greatly impacted our donation to the Ronald McDonald House Charities of Jacksonville.

For Sale: 1980 MGB

MG Classic Members,

I recently sold an auto repair shop in Leesburg, Florida, and one of the vehicles I kept was a **1980 MGB** which had quite a lot of mechanical work done to it. A customer left the car with us after signing over the title.

The car sat inside the shop for a few years, so it was not subject to outside weather; however, it does need bodywork. It would either make a good project or parts car.

I wondered if any club member would be interested in making an offer. I'm not looking for an outrageous sum - a few hundred as it's got way more than that in parts alone.

Regards,

Steve Healey
