Restoration Unveiling – MG TC 7676

The Spirit of '76

Our March Meeting on Monday evening, 28 March will be a little different. At that meeting, Mike Losey's recently restored MG TC will be presented to the club.

We will gather on the Rear Patio of the Eagle Harbor Country Club in Fleming Island at about 6 PM for cocktails courtesy of Mike.

Mike's restored MG will be displayed in that area, hopefully draped in a large Union Jack flag. The craftsman who restored the car will also be present. When most of us have arrived, cocktails will be interrupted, and the car will be formally unveiled. Cocktails will then resume until it is time to eat.

Dinner will be served in the Talons Restaurant, the Club dining room. It will be like any other MG Classics meeting. We will order from the menu and pay for our meal. Meal prices are comparable to our other meeting locations. A copy of the menu is enclosed.

The plan is the Country Club will set up mostly round tables each seating eight. Meanwhile, please remember, the dining room will also be open to the public.

After dinner, President Mike Kazmeirski will announce we are moving to a private patio for the actual meeting. This area has overhead cover and comfortable random seating. Dessert, once again, courtesy of Mike, will be served during or soon after the meeting. He is bringing it from ***Sweet Sensations*** in Green Cove Springs.

Mike is planning on about 35-40 people attending, but he would like to give the Country Club a more accurate head count.

Please RSVP Mike no later than 15 Mar 16 at:
(904) 613-0203, or Mlosey@mikelosey.com

GOF KID'S PRIZE DRAWING

WE NEED A LITTLE BIT OF HELP….

Our GOF committee have developed a plan to expand the GOF attendance of citizens from the Ocala and the surrounding area. An ad is being developed for the local Star Banner newspaper and website. The ad will run the Friday prior to our car display.

The Ocala Convention and Visitors Bureau has already posted our event on their website's calendar. Check the April 23 posting on their website calendar.Their website is: http://www.ocalamarion.com/events/action~month/exact_date~1459483200/request_format~html. (Find the date and then click on our event for the promotional material we have developed for the community). Alternatively, simply take a short cut by using the followinURL. http://www.ocalamarion.com/event/mg-car-show-at-hilton-ocala/?instance_id=36945.

Adults are more likely to attend if there is a feature of the GOF --- beyond the displayed cars -- that appeals to children.

For this activity, we plan to have a table in the car display area. A sign on the table will highlight the availability of a children's drawing for MG-related prizes.

Here is where our members can help.

We need prizes to be given away. Best prizes would be model MGs or other cars, car puzzles, T-Shirts (Losey will acquire) with the club's logo and photo of an MG, etc. Any child appropriate gift you can donate would be great!

Free raffle tickets will be available at the table for each child who requests one. We will also have a box into which the kids will deposit their raffle tickets.

The drawings will start at 10 AM and continue each 30 minutes until 1 PM. We will draw several prizes each one-half hour. (Depending on the number of prizes donated.) Kids will be told to "listen for the bell" to alert them to the next drawing. (We have acquired a loud brass bell. This is necessary because we do not have or want a loudspeaker.) We will have a sign by the table where we shall also post the winning numbers so if a child is not present when the drawings take place, they can check their ticket against the posted winning numbers.

Bring whatever you can find as a good kids' gift to the next meeting.

Reminder

Bring Children's Gifts to the Next Meeting

During the Car Show, there will be periodic drawings to give free gifts to children attending. Mike Losey will be collecting them at the next & subsequent meetings.
