Old Business

Please go to www.mgclassics.org for newsletter and calendar info updated information.

Winter Drive Ft Mose - Sunday, 3 March 19 was a great success with almost 34 club MG Classics Jacksonville and Chesapeake Chapter of the New England MGT Registry members and another 15 attendees from the Fort Mose Historical Society. Fort Mose Militia reenacted rifle drill and gave a brief history on the Fort. The club raised $208 in support of the Fort Mose Historical Society. The food was great, many thanks to Richard Gross for heading this effort. Go to www.mgclassics.org for a photos taken by photographer extraordinaire, Gary Whiting.

Amelia Island Cars and Coffee – Saturday 9 March 19 was a huge success. There were seven cars from MG Classics and most of the Chesapeake Chapter of the NEMGTR that we with for the Fort Mose picnic. Added to that were cars from the local Jaguar and Austin-Healey clubs and many other British cars. Don't miss this one next year; it is truly a rich experience. Again please check www.mgclassics.org for awesome photos provided by Gary Whiting

BCCNF Spring Drive - Saturday, 30 March 19. The BCCNF (British Car Clubs of North Florida) is driving to Washington Oaks State Park. The event organizers have planned a *"bring your own lunch"* picnic. As of 23 March, 58 people are registered to attend. The club is planning caravan departure locations and times. Go to www.mgclassics.org for details.

The club president will meet with Neil and his CPA to discuss tax filing status and requirements after 15 April. The general idea is to file similar to a Home Owner Association as a nonprofit with the membership/club receiving the benefit of any funds or profits. They should complete this action by 1 June.. Members present were asked to voice any disagreement with this proposal. The members voiced no disagreement.

New Business

Sixty-five cars are registered for the Speedway drive at the GOF. This exceeds the 50 required to break even.

Totals as of 21 March are now 78 cars and 161 people.

A GOF planning group visited the hotel and Speedway last weekend. The club will provide routes from the hotel to the track at the driver's meeting. Hotel facilities are top notch and support is outstanding so far.

The president recognized Jim Hall, Richard Gross, Mike Hogan, Ian Massey, Mark Cooley, Jim Nolan, Stan Kinmonth, Neil Nelson and others for their countless hours of behind the scenes hard work to make our GOF a success.

We need more volunteers especially for the Hospitality Room four-hour shifts. A commitment on your part can ensure that no one is doing most of the work and missing other events.

Jim Hall provided 2019 GOF report and reiterated the above information.

Some members asked if there were caravans headed to GOF. Currently, there are no formal caravans.

Bob Wrenn moved to have the club pay for items (patches and club grill badge) given at the Ft Mose Meet and Greet Picnic by our president to the Chesapeake NEMGTR club . The members passed the motion unanimously.
