Please go to the Club website www.mgclassics.org for current & frequently updated information

The President plans to get with Mike Kazmierski to discuss the Clubs tax filing status and requirements. This will be completed by 5 May.

New Business

- Stan and Lily Kinmonth were unable to attend today. Please review the FCCC's meeting notes sent by Jim Nolan via email for other car club's pertinent information.
- Avenues Cars and Coffee 2nd Saturday at 7 a.m.
- Beaches Cruise-In 3rd Tuesday, regular attendees 4:45 p.m..
- The Great Dixie Brit Car Rallye November 9th, 2019.
- President recognized Jim Hall, Richard Gross, Mike Hogan, Ian Massey, Mark Cooley, Jim Nolan, Neil Nelson, and Paula Ashcroft and the Hospitality Room Crew and more for their countless hours of behind the scenes hard work to make our GOF a success. Many told the President and others that this was the best GOF they had ever attended!
- Glen Moore reported he submitted articles to three car magazines - NAMGAR's "MGA!"; NAMGBR's "MG Driver"; and the MMM's "Bulletin" published in England. Photos by Gary Whiting were submitted with the articles. Glen also indicated that George Butz is submitting an article to the NEMGTR's magazine "The Sacred Octagon". The national and international coverage of our GOF South will bring recognition and prestige to the event and should encourage people more distant to the site to attend.
- Special mention and gift presentation were made to Gary Whiting for his video and photography work in support of the club. His work included three photo albums and three videos which are now available for viewing on the website at: www.mgclassics.org .
- Ninty MGs were in the car show, 63 MGs and ten other British cars drove the track, and 187 guests attended. The venue was top notch, weather was pristine, and the track drive was a once in a lifetime opportunity. Moss Motors was impressed, and we hope to get them as the Corporate Sponsor regularly. In short, many thanks to all sponsors and attendees for a stellar weekend! The $500 sponsorship went toward track costs including the great photos available for download on the website.
- Tech session is scheduled for 25 May at the Kinmonth's compound. Mike Hogan researching getting the car detailing expert there for a presentation.

Please contact Mark Albright - vicepresident@mgclassics.org - to schedule potential

work. The project should run about 4-5 hours, no engine overhauls, please.

A unanimous decision of members present was made to cancel the August Tech Session because of the seasonal hot weather.

- Due to poor service received at the last meeting, a motion was made to change the location from Mediterrania (Oct) to a new venue. Tom and Betty's in Orange Park was proposed as the November meeting location because of elections, and St Mary's Seafood will be the October meeting location.

  Motion: Bob Wrenn

  Second: Ian Massey

  No opposition voiced by any members.

- Christmas Party preps are in the works already. Please clear your calendar for 15 December at the One Call Center. We are trying to get the same caterer and venue. Plans are to do a gift swap, upgrade the Christmas decorations and get some festive music playing. Motion made to hold the Christmas party at the One Call Center from 2-6 p.m, same caterer and menu as last year.

  Motion: Bob Wrenn

  Second: Ian Massey

- The Will Bowden Award for troubleshooting and assistance with all issues MG was presented to Wayne Snook. The Award was originally announced at the GOF, but Wayne was not in attendance.

- The 50/50 drawing of $53 was won by Paula Ashcroft.

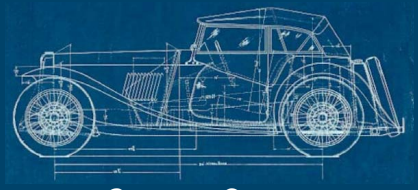

- Neil Nelson and Wayne Snook donated an "at cost" part for your MG if ordered within 30 days prizewas won by Jim Davey.

The next club meeting will 20 May 2019 (A week earlier due to Memorial Day), at 7 p.m. at **The Fish Company, 725-12 Atlantic Blvd., Atlantic Beach FL 32233.**

- Meeting was adjourned at 7:55 p.m..

The minutes were prepared and submitted by the Club Secretary Sybil Bradley and approved by the Club President Bruce Sedelmeyer.

GREAT DIXIE BRIT CAR RALLYE

The **GREAT DIXIE BRIT CAR RALLYE** is back after a five-year hiatus!

The Lucas Brothers have volunteered to organize a Rallye for us. Brother Harold will be the Rallye Master for our 2019 event.

The 2019 Great Dixie Brit Car Rallye is a **Time/Distance Rallye** open to all British Cars, as it has been in the past. The event will provide coffee and donuts before The Rallye Master starts the event at 10 a.m.

Brother Harold will give the safety briefing and explain the rules. Competitors are required to arrive around 9 am for a **Technical Inspection and the Briefing. All cars must follow the posted speed limits throughout the rally. Speeding fines are the responsibility of the driver**. We are still sweating the detail of the route, but one thing for sure, you will not be disappointed.

Save the Date: Saturday, November 9, 2019. Frequently check www.mgclassics.org for updated details and registration information.

Want to see the Web Album of the last **Great Dixie Brit Car Rallye?** Go to www.mgclassics.org
