## Gatlinburg Or Bust!

Our "Tail of the Dragon" was more a "Tale of the Iguana" (Gigantic herbivorous dinosaurs from early Cretaceous of Belgium and England.) Webster!

We left early June and traveled by way of Charleston, SC. where we stopped to see history unfold touring the H. L. Hunley in its 90,000 gallon conservation tank. While we were tooling around Charleston's historic sights "Queen B" decided to display bad behavior, with bucking, backfiring, and bellowing. After a call to our MG Guru Glenn Lennard (Glenn's MG in St. Petersburg, Fla.) who suggested it was the coil, Terry himself bought and installed same, and we were off again. Next stop was several days visit with former club members Donna & Udo Stillmayer in Forest City, NC.

*Holiday's on High!*

Afterwards it was on to Gatlinburg for fun and festivities. Would you believe - after a few days of driving the "Tale of the Iguana" the bad behavior returned, and once again we called Glenn. This time he brought an electronic distributor from St. Petersburg, and installed it at no charge, so we were able to partake of the MG International 2006 event after all. At our campground there were about ten other experts who had trailered or "TOAD" their beauties and it was great comradeship, before, during, and after the event! MG enthusiasts are the best folks on earth, and it's wonderful to meet and greet strangers from around the USA and Canada.

We arrived 'on Cosby' at the Cocke County Visitor's Center and were expertly guided to our exhibit spot. A flurry of activities, shopping and 'smoozing' took place where according to Fred Skomp, Key West owner of the 100,000th MGA ever built, over fourteen hundred MG's were exhibited. NAMGAR Vice Chairman George Merryweather agreed. Thanks go out to MG Classics of Jax for saving us a place at the awards event. We shared our table with very interesting folk, including Fred and his wife Cindy and were able to 'catch up' on the Key West fun and games. It's been called Bibulous Gallimaufry too! The labor, love and logistics of the international event was visible everywhere and appreciated by all. The auction was fun, the food ample and good (if you had the patience of Job) and we did. Another tidbit from the Skomp's - they will be selling their Key West restaurant where we enjoyed their hospitality during the Key West Mini-GT. Before we said our good-byes to the Great Smoky Mountains we visited Dollywood (as their guests) and considered a part-time gig in a few years perhaps… The open road beckoned, but not before we rode the SkiLift to once more overlook the enchanting Gatlinburg community, and store up wonderful memories of yet another successful MG Rally, our first International!

# Southeast British Car Festival 2006

The Peachtree MG Registry invites you to join us this fall for a relaxing, southern-style weekend in the North Georgia mountains at The Dillard House in Dillard, GA. Old fashioned Dillard House cooking is as mouth watering as always. It's not fancy, it's just good! The porch swings and rocking chairs are perfect for visiting with friends and swapping stories – you'll feel right at home. The Dillard House offers it all with a family-oriented atmosphere.

Festival events are listed in the next column. Other activities include horseback riding, swimming, tennis, and antiquing. For those who want to get-away, book a romantic "chalet for two", away from the crowd.

September scenery in the mountains is not to be missed; enjoy it at a leisurely self-paced tour, or on a rally tour.

A word of caution, September in the Georgia mountains is very popular. Make your reservations early.

***ALL BRITISH MARQUES ARE WELCOME!***

FLORIDA SUNCOAST MG CAR CLUB

# JAMBOREE 15

November 10 – 12, 2006 • St. Petersburg, Florida

**Theme:**

Come celebrate the beautiful beaches of Florida. The Florida Suncoast MG Car Club is honoring these beaches with a variety of events. We have a Calypso Night and a Jimmy Buffet Night planned for Friday and Saturday evening events. As in past years, costumes are encouraged, and fun is mandatory (can't be helped). If you have an interesting picture and story about a beach holiday, share it at the Low Tea on Saturday afternoon.

**Please bring items for the Club to auction on Saturday evening. While it's fun if the items are MG or car-related, they don't have to be. Our auction is the main fundraiser for our Club.**

**Location:**

We have a new venue for the MG Jamboree this year. It is the gorgeous Holiday Inn Sunspree Resort in St. Petersburg near the Skyway Bridge. It offers a beautiful view of the bridge as well as having its own private beach! If you want to stay an extra day or two, the hotel will extend your stay for the same MG Jamboree rate.

**Friday:**

Upon arrival at the Hotel, join us in the Hospitality Suite where you will find the MG Jamboree Registration and complimentary beverages and snacks nearby. Drop off your Auction items and pick up your Event Packet. **6:00 p.m. Calypso Night!** There will be games, in the banquet room, and dinner, under the pavilion by the pools, with entertainment by Club members, Deanna & George Durham. Dress is "Tropical". After dinner will be the "MGs in the Movies" game in the banquet room featuring movie roles our MGs have starred in over the years, with a quiz. We also will have a special raffle for registrants. ***You must be present to win.***

**Saturday Morning:**

Continental Breakfast – Hospitality Suite
MG Flea Market & Regalia Sales
MGs Displayed on the Grass
Fun Judging of Cars and/or People
And Much More….

**Saturday Lunch:**

Grab your toll money, and head to your cars for a drive to check out one of the most famous beaches on the Suncoast & the #1 Beach in the US – Fort DeSoto Park – where we will dine overlooking the beautiful Gulf of Mexico. Explore the old historic fort, get your feet wet, and relax.

**Saturday Afternoon:**

**Tech Session:** Drive to Glenn's MG Repair – *(after taking the ladies back to the hotel.)*

**Ladies only Low Tea** – RSVP required – see Reg. Form

**Siesta Time** or unwind by one of the two beautiful pools.

**Saturday Evening:**

**6:00 p.m. Jimmy Buffet Night** (Remember your costume – Parrotheads welcomed!)
Dinner
Awards (if any are deserved)
Auction

**Sunday Morning:**

Continental Breakfast – Hospitality Suite
Fond Farewells – until next time

## Make your reservations directly with: Holiday Inn Sunspree Resort (800) 227-8045 or (727) 867-1151

Please mention the "**MG Jamboree**" when reserving your room. Reservations must be made prior to October 7 to get special room rates, starting at $79.00 per room per night. These reduced rates are available to MG Jamboree registrants only. In addition, the hotel will honor these special rates for two days before and after our event, if you want to come early and/or stay later.

**Map and Driving Instructions to the Holiday Inn Sunspree**

**NORTH - HEADING SOUTH ON I-275** - EXIT 16 (SKYWAY LANE). LEFT ON PINELLAS POINT. RIGHT ON SKYWAY LANE. **SOUTH - HEADING NORTH ON I-275** - EXIT 16 (SKYWAY LANE). LEFT ON SKYWAY LANE.

**The Classic MG Shop**, Tallahassee, Phone 850 385 2821 or Bengle001@comcast.net *Please note our new mailing and e-mail address* **Blair Engle, prop.**

# GUS's GARAGE

Retch McPossum walked into the garage one Saturday afternoon as Gus was finishing work on Sir Winston Wembly's Bentley. He greeted Gus with another Lucas Moment. It seems that the battery in Mary Q his 58 MGA keeps running down but he never has a ignition light. He told Gus that he has a ign. light when he turns on the key after he charges the battery. The battery stays charged for 14 days or longer just sitting in the garage. The fuel pump runs and it starts easily and the light goes out and it runs fine until it dies with a dead battery. After it dies the ign. light is real dim but it will not run the fuel pump.

Gus told Retch that it sounded that the dynamo (generator to you yanks) was not producing enough voltage. Normally it should carry the system at about 14 volts. The problem could be something as simple as a loose drive belt. Or something as expensive as brushes, control box or dynamo windings. All the ignition light really tells you is that the battery voltage is greater than system voltage.

Retch said "if I had an ammeter I would know wouldn't I."

"Maybe or a voltmeter for even more information." Gus Answered. "That would read Batt. voltage before start, cranking volts, and running system voltage." A volt meter gives a quick system check at each start.
