The Prez Says:

Last month's meeting at Athens Café was pretty well attended, and the guest speaker's presentation on Amzoil was very interesting. He also gave us a great opportunity to buy the perfect oil for our classic cars and even get a discount and free delivery. Thank you Bo for your time and for the great deal, you have provided the club members.

The overnight trip to Amelia Island came up on me too quick to make the arrangements what with the planning for the British Car Classic, so I'll give an update at the next meeting and in the newsletter. I will schedule it for another month.

The tech session at Neil's garage was a hit. We had two good sessions on seat upholstery and another session on tearing an engine down for rebuilding. Thanks to all who attended and brought the side dishes.

Phyllis has been hard at work finding us a venue for our Christmas Party. I believe she has secured a reservation but more on that at next month's meeting and in the newsletter.

Our next big event is British Car Classic car show, which will be held at Kings Head British Pub. Check the club website for more tentative activities and dates. Next meeting will be at The Tilted Kilt in Tinseltown off Southside Blvd. See the newsletter for more info on this meeting, location, etc.

Thanks to everyone for your participation and attendance. If you have any ideas for a social gathering or outing, please let me know, especially if you know of a good restaurant with a private room on the west side of the river.

Jim

MG CLASSICS of Jacksonville
Monthly Meeting Minutes
July 2013

Our monthly meeting was held on July 29, 2013 at the ***ATHENS CAFÉ*** on St. Augustine Road. We had thirty-two members attending including new members: **Gene and Jan Myszkowski.**

No Fifty/Fifty tickets were sold; they were mistakenly left at home.

New and improved grill badges (crackers and cream) have arrived. They are for sale at $30 each. See Bob Wrenn.

The British Car Classic car show will be held September 28th. The location on Route 207 fell through because the site has new owners. Negotiations with the Kings Head Pub are ongoing.

President Jim Bak postponed the **overnight drive to Fernandina/Amelia Island.** Details are still pending.

Neil Nelson is organizing club participation for the Gathering of the Faithful at Calloway Gardens in Pine Mountain, Georgia October 10th, 11th, 12th. See the advertisement for more information for this event elsewhere in this newsletter. A Registration form can be obtained from the club website at: www.mgclassics.org or from Jim Nolan at: www.jamesnolan@comcast.net. Let Neil know if you plan to attend. More information will be forthcoming at the next meeting.

President Jim Bak read his **letter to the Ocala Hilton** thanking them for all their help with our successful GOF.

Bo Peters, the *AMZOIL* rep, spoke about his products. He distributed catalogs, described his products, and explained the discounts we would receive when we order as a group.

Next month's meeting will be at the ***TILTED KILT PUB & EATERY*** located at 9720 Deer Lake Court – Phone: 904-379-8612.

Tech Session

Twenty-eight enthusiasts attended the **Tech Session** held on Saturday, 13 July at Neil & Johnnie Nelson's home.

Reupholstering MG seats was the main topic. Mike Kazmierski and **Jim Bak** demonstrated what it took to successfully complete the job.

Other small car problems were discussed and resolved.

Wayne Snook led a small group of members in the disassembly of an MG engine See pictures of the Tech Session elsewhere in this newsletter.

Chef Jim Bak prepared his great *special* **burgers.** Others brought chips, beans, salads, desserts and what they wanted to drink, including a small sampling of **Speckled Hen Ale**. The World Market next to Barnes & Noble on San Jose Blvd in Mandarin was the source of the ale. As you all know, Speckled Hen Ale was first brewed to commemorate the fiftieth anniversary of MG. The food was served on Neil and Johnnie's nice new patio deck. A good time was had by all.
