MG Classics Meeting Minutes - 30 July 2018

By Roberta Sedelmeyer

Vice President Bruce Sedelmeyer conducted the meeting because President Mike Kazmierski was in out of town. The VP convened the meeting late (7:20) because of the Red Lobster Restaurant had no record of the club's reservation. Hence, It would be a good idea for the club secretary to reconfirm the remaining meeting locations.

Twenty-one members including one new member - Jeff Prichard - attended. There were no guests. Jeff lives in Jacksonville and owns a '77 MGB.

The Club's First Coast Car Council representative Stan Kinmonth was absent, so Bruce briefed the member on near and long-term FCCC events

OLD BUSINESS

Open Board Position. President Mike K. is still the interim Membership Chair. A volunteer is needed to fill this Board position.

NAMGAR Affiliation. The membership discussed but decided not to seek affiliate membership in the North American MGA Registry. However, the Vice President and several members including Bob Wrenn who is a NAMGAR member emphasized the benefits for individual membership in NAMGAR and encouraged our MGA owners and others to join.

NAMGBR. The Club affiliated with the North American MG B Registry earlier this year because membership provides free insurance to the club. However, at least eight of our members must have

membership in the NAMGBR to retain that insurance. Therefore, it is essential that our members keep the club posted regarding their membership status.

Events. Richard Gross reported that in July he and Kathy attended the NAMGBR Convention in Gettysburg, PA, and the NAMGA GT-43 in Richmond, VA. Both events were held in beautiful locations and were well attended. The NAMGBR and the NAMGAR events had 350 and 155 cars, respectively. Richard's '71 MGB took third place out of 23 entries in its class at the NAMGBR convention.

Recent North Florida British Car Clubs Meeting. Richard and Ian Massey are our representatives to the North Florida British Car Clubs confederation. The club representatives recently met. Richard reported:

The upcoming British Car Classic car show will be at the Kings Head British Pub in Saint Augustine on 20 October 2018. The Triumph Club of North Florida with assistance from the Saint John's County Austin Healey Club is hosting this year's event.

The Jaguar Club of North Florida will host the 2019 BCC.

The MG Classics of Jacksonville will host the 2020 BCC.

A planned BCC Spring Drive to Washington Oaks State Park in Flagler County is tentatively set for 30 March 2019 - more details to follow.

The sponsor of the planned BCC Fall Drive to Fort Clinch postponed the event indefinitely due to its proximity to the British Car Classic in Saint Augustine.

Virginia MG Club Florida Visit. Richard provided preliminary information on a Virginia MG club's Spring Visit and Tour of Florida. The visitors come to Florida each year on the car-train. In the past, they toured southern Florida, but this year the plan is to tour northern Florida. Richard is coordinating this event and will be providing information on it soon.

GOF South 2019. The VP asked Jim Hall for a 2019 GOF South update.

Jim circulated a prototype MG Classics parking sign for 2019 GOF South. He then asked the member to check frequently the GOF South website, MG Classics website and newsletters for updated info; urged members to donate raffle prizes; and reminded those going to 2019 GOF to sign up for Daytona track drive on GOF registration form.

Jim Hall Ph.D. The GOF South 2018 sponsors awarded Jim Hall a well-served Ph.D. degree certificate for his MG Five-Speed Transmission Conversion technical presentation at the GOF South 2018. The VP presented Jim with the degree certificate.

August Tech Session. No one volunteered to host the 25 August Tech Session, so the members voted to cancel it.

MG Classic Bumper Stickers. The VP reminded the members that the first MG Classic magnetic bumper sticker is free, and others are available from the Treasurer for $5.

MG Classic Banner. The VP displayed the club's new MG Classics banner. It's very nice.

JTECH. JTECH is an automotive technical school located in Jacksonville. They have offered the club the use of their facilities for a car show or gymkhana. The club was not interested, at this time; however, it will reconsider the offer in the Fall when the weather was cooler.

NEW BUSINESS

Christmas Party. The members voted in favor of Kathy Albers proposal that was in the Meeting Reminder. The club agreed on the date and time (9 December, 2-6 PM). Kathy was asked to complete the arrangements, including costs and report back to the club.

Rock and Roll Band. New member Jeff Pritchard is a member of a local band. He offered the band's services at a reduced rate for live music for the party if the club was interested. The VP will contact Jeff for additional details and present his findings to the Board of Directors.

Fifty/Fifty Drawing. Pat Shotwell won $24 in the Fifty/Fifty drawing.

Next Meeting. The next club meeting is at the Mediterrania Restaurant, 3877 Baymeadows Road, Jacksonville at 7 PM on 27 August 2018.

Adjournment. The meeting adjourned at 8:15 PM.

J-tech is an automotive educational institution located at 8813 Western Way, Jacksonville. For more information on this vocational school, go to: www.jtech.org

For Sale: 1980 MGB

MG Classic Members,

I recently sold an auto repair shop in Leesburg, Florida, and one of the vehicles I kept was a **1980 MGB** which had quite a lot of mechanical work done to it. A customer left the car with us after signing over the title.

The car sat inside the shop for a few years, so it was not subject to outside weather; however, it does need bodywork. It would either make a good project or parts car.

I wondered if any club member would be interested in making an offer. I'm not looking for an outrageous sum - a few hundred as it's got way more than that in parts alone.

Regards,

Steve Healey
